Hi Angela,

OPPT has incorporated all of ORD's edits and I have attached here the clean version. From OPPT's perspective this is ready for AA level review and to move on to the next step. We are getting very short on time so please let us know if there is anything we could do to help expedite this report.

Thanks,  
Susanna

Angela,

Thank you for the opportunity to review and comment on the workgroup closure package for the "Report to Congress on EPA's Progress and Goals with Implementing Alternative Test Methods and Strategies under TSCA" (SAN 8461; Tier 3). The Office of Research and Development (ORD) has reviewed the package and concurs with the action.
